REASONS WHY PEOPLE WHO WORK FOR PWSB ARE SO DARN HAPPY.

1 WE GOT SKILLS. LIFE SKILLS.

When you work at a bank, you pick up common sense tips on investing, saving, and staying safe in the digital world. That kind of info is priceless.

2 FOOD.

So much food. We don't go hungry here. Just trust us on this one.

3 BIG HEARTS.

We logged over 1,400 volunteer hours in 2025. We all feel it's our duty to make the communities we serve a great place to live, too. From events like food trucks, parades, and walk/runs, to holiday events, family festivals and golf outings, a PWSB representative is there.

4 YOU'LL LOVE OUR BENEFITS.

Sure, we've got all the health, life, dental, disability insurance stuff handled for workers above 30 hours per week. Buuuut, we also have PTO and paid parental leave along with 11+ bank holidays each year.

5 OPPORTUNITY.

More than 35% of employees have been promoted at least once in their career. Outside of banking-related departments, we also have areas like accounting, HR, marketing and IT, too. On top of that, you should check out our job shadow program.

6 127 YEARS OF NICE.

We donated almost \$500,000 to approximately 150 organizations in 2025. For a bank our size, it's a pretty great thing. Unlike other banks, we work hard to support organizations consistently year to year.

7 WE ALL GET SMART TOGETHER.

We have TONS of online, in-person and on-the-job training to help you become an awesome banker and gain real-world experience that can transfer to other careers down the road.

8 THE OPPOSITE OF BORING.

Somehow we always have a reason to celebrate. We have fun parties, we celebrate birthdays, we hold contests to show our creative sides. So whoever told you banking was boring, they might want to talk to one of us first.

9 BANKING AT YOUR FINGERTIPS, LITERALLY.

Never utter the words, "I wish I had gotten to the bank today!"
